Representative Lois Frankel  
Lois Frankel for Congress  
PO Box 812421  
Boca Raton, FL 33481

Dear Representative Frankel,

The Alliance for Retired Americans, representing more than 4.4 million retirees, older Americans and community activists, including 195,370 members in Florida, endorses your candidacy for the U.S. House of Representatives from District 21 of Florida.

Your positions demonstrate a strong commitment to ensuring that all Americans have the secure retirement they have earned. We welcome your leadership on issues such as strengthening and expanding Social Security and Medicare and protecting them from cuts. Our members support your candidacy because of your belief in more affordable health care, including lower drug prices, pension security, and quality long term care.

The Alliance for Retired Americans believes that your election to the House of Representatives will enhance the quality of life for older Americans. Please find our digital endorsement badge for you to use in your campaign materials here: <http://ow.ly/hjRs30r2CsD>. If we can be of assistance, please contact Eva Dominguez in the Government and Political Affairs Department. We congratulate you on earning our endorsement.

Sincerely,

A handwritten signature in black ink, appearing to read "Rob Roach".

Robert Roach, Jr.  
President
